

# Music in the Brain Seminars

## Spring 2015

Thursdays, 2-3pm (NB!)  
(unless specified otherwise)

Danish Neuroscience Center  
Building 10G, Aarhus University Hospital  
4th floor meeting room

Jan	15th	<i>MiB BONUS TALK:</i> <b>Morten Christiansen</b> (Cornell)	Language as shaped by the brain
February	5th	<i>NB! Extended seminar 2.00-3.30pm:</i> <b>Hendrik Purwins &amp; Mads Græsbøll</b> (Aalborg Uni Copenhagen) <i>WINTER HOLIDAYS</i>	Analysis, modeling, and neural correlates of musical signals and music cognition  <i>NO SEMINAR</i>
	19th	<b>CANCELLED</b>	<b>CANCELLED</b>
	26th	<b>Mikkel Wallentin</b> (Aarhus)	Broca's region function in language and beyond: investigated with fMRI
March	5th	<b>CANCELLED</b>	<b>CANCELLED</b>
	12th	<b>Per Borghammer</b> (Aarhus)	Surface anatomy of the human brain
	19th	<b>Niels Chr. Hansen</b> (Aarhus)	A scientific framework for studying musical expertise
	26th	<b>Eino Partanen</b> (Aarhus)	How the functional development of the nervous system is associated with learning to perceive music in infancy 
April		<i>EASTER HOLIDAYS</i>	<i>NO SEMINAR</i>
	9th	<b>Christine Parsons</b> (Aarhus/Oxford)	Interpreting infant vocal distress: examining the effects of depression, empathy and music training 
	16th	<b>Martin Skov</b> (Hvidovre Hospital)	The role of expectations in aesthetic appreciation 
	23rd	<b>Nora Schaal</b> (Düsseldorf)	Modulating pitch memory using non-invasive brain stimulation methods 
May	7th	<b>Henrique Fernandes</b> (Oxford) <i>ASCENSION DAY HOLIDAY</i>	Balancing the brain: using neuroimaging to unravel the complex dynamics of structural brain networks  <i>NO SEMINAR</i>
	21st	<b>Mads Hansen</b> (Aarhus)	Null hypothesis significance testing: What Cohen has taught me (so far)
	28th	<b>Sofia Dahl</b> (Aalborg Uni Copenhagen)	Embodied beats: preferred dance tempo and other stories 

Contact [music.in.the.brain@gmail.com](mailto:music.in.the.brain@gmail.com) to sign up for news and reminders!

Talks marked with the Adobe Connect symbol can be attended online from <https://c.deic.dk/musicinthebrain> (log-in as "guest"). Please notify Bjørn Petersen in advance if you are interested in this possibility ([bjorn@pet.auh.dk](mailto:bjorn@pet.auh.dk)).
